

# Community Open House

204th Street NE / 77th Avenue NE Roundabout

## Join Us!

City of Arlington Public Works has scheduled an **open house** for community members interested in the upcoming 204th Street NE and 77th Avenue NE roundabout. The City's consultant, Perteet Engineering and Public Works staff will be on hand to answer questions about the project, preliminary designs, and impacts to you.

**When:** July 29, 2019, 5:30 p.m.— 7:00 p.m.

**Where:** Arlington City Council Chambers  
110 E. Third Street, Arlington  
(Parking available in the lot to the south of City Hall; access to the Chambers is on the Olympic Avenue side of the building)

## Project Description

The City of Arlington will be installing a roundabout at the intersection of 204th Street NE and 77th Avenue NE to improve vehicle safety and mobility. The project will include additional elements including turning restrictions throughout the corridor to improve safety and access to State Route 9.

## Project Schedule

- Design 2019 by Perteet Engineering
- Bid and construct 2020

## Project Benefits

- Improve safety and mobility at the intersection of a heavily traveled arterial and a neighborhood street.

## Project Funding

- \$1.6 million grant from Washington State Transportation Improvement Board (TIB)
- \$950,000 from growth impact fees to address traffic impacts
