Declaration - Covenants, Conditions and Restrictions

This Binding Site Plan and any Dedications thereto is made with the free consent and in accordance with the desires of the said owners, subject to the following Conditions, Covenants, Restrictions and Easements and Requirements.

1. SITE DEVELOPMENT: All development and use of the land described herein shall be in accordance with this Binding Site Plan, as it may lawfully be amended with the approval of the City of Arlington, and in accordance with such other governmental permits, approvals, regulations, requirements, and restrictions that may be imposed upon the land and the development and the use thereof. All development that occurs related to this Binding Site Plan shall share common architectural design elements ensuring that there is commonality between all buildings, regardless of the time span for complete buildout of the project to occur.
2. MIXED USE OVERLAY: This Binding Site Plan must incorporate commercial/retail/professional and certain manufacturing uses on the lots/parcels which front roadways, and provide for residential development at a density of, 15 DU Ac. minimum, upon the interior lots/parcels of the property as described herein. All development shall conform to the City of Arlington Mixed Use Development Regulations.
3. COMMON ACCESS AND PARKING AREA: Declarant, its successors, assigns, business invitees, licensees, tenants, and their guests shall have common access and use for ingress and egress purposes over and across all roadways, parking areas, and walkways, both as shown on this site plan and as constructed on the land. The owners of the land shall maintain and keep in good repair the roadways, fire lanes, parking areas and walkways situated on said land and shall keep such roadways, fire lanes, parking areas and walkways free of snow, ice, rubbish and obstructions of every nature and shall provide and maintain, as required by the City of Arlington, any drainage facilities located on the subject property.
4. GOVERNMENT EASEMENT: Any governmental entity having jurisdiction of the land and the improvements thereto, and any public or private entity providing utility service thereto, shall have a non -exclusive easement for ingress and egress over and across said land for the purposes of inspection, maintenance, and repair of such utility services.
5. MULTI-PURPOSE MAINTENANCE: Except as otherwise provided by law, and except to the extent maintenance is performed by a public or private entity providing utility service, all present and future owners of the land shall maintain and repair all roadways, parking areas, utilities and drainage facilities and other common site features and areas.
6. BINDING EFFECT: This Binding Site Plan (and the foregoing Covenants, Conditions, Restrictions and Easements) shall constitute covenants that run with the land as provided by law and shall be binding upon all parties and all persons who are or shall become the owner of, or otherwise have an interest in the land described herein. The personal obligations of declarant hereunder shall terminate at such time as declarant transfers its interest in the land, provided that the then owners of the land shall continue to be obligated hereunder as applicable.

7. All undeveloped lots, parcels and tracts shall be graded, seeded and lawns established along with the installation of all, required, perimeter landscaping within twelve (12) months of any development activity being finalized, unless an active permit with the City of Arlington exists for such lot{s). All lawn and landscaping shall be maintained on a weekly basis and a maintenance bond or other acceptable security is in place to ensure that ongoing maintenance is provided.
8. The owner releases, indemnifies and holds the City of Arlington harmless from any and all claims for damages, liabilities or injunctive relief of whatever nature arising from the design, construction, operation, maintenance and downstream impacts caused by or attributable to the storm water system onsite.
