Proposal Description: The 2024 Preliminary Annual Docket is a list of proposed amendments to the City’s Comprehensive Plan and Development Regulations. Under state law, comprehensive plans can only be amended once annually, so all proposed changes for a given year are considered concurrently. Once the preliminary annual docket is reviewed by the Planning Commission at a public hearing, the Planning Commission makes a recommendation to the City Council on which docket items should be placed on the Final Annual Docket. Approval of the Final Annual Docket is required by the City Council. A copy of the 2024 Preliminary Annual Docket can be found on the City of Arlington’s website, under public notices: <https://www.arlingtonwa.gov/310/Public-Notices-Hearings>.
