RE: Wisemark Commons Binding Site Plan PLN#1139 & Conditional Use Permit PLN#1140

Dear Mr. Weinstein,

This letter provides an additional extension of 44 days for your project resubmittal timeframe, on top of the original 60-day resubmittal timeframe and deadline of January 2, 2024. You will need to re-submit the requested information from the November 3, 2023 comment review form no later than **February 15, 2024**.

The City is granting this extension per AMC 20.16.284, due to the project requiring additional time to provide the required revisions and documents from the project review comments.

Please let me know if you have any questions or concerns regarding your resubmittal.

Sincerely,

A handwritten signature in blue ink that reads "Amy Rusko".

RE: Request for Time Extension Resubmittals Wisemark Commons

As a consequence of the extent of revision required to the initial submittals for BSP and Conditional Use, and the holiday season difficulty in access to our consultants including the completion of the Cultural Resources Assessment, we request an extension in re-submittals to February 15, 2024.

Sincerely;

A handwritten signature in blue ink, appearing to read 'Michael Weinstein'.
