Proposal Description: The applicants are proposing to rezone a total of 0.63 acres on two parcels (parcel numbers 00455400500100 and 00455400500500) from the Old Town Residential zone to the Public/Semi-Public zone. The properties are currently owned by the Sno-Isle Intercounty Rural Library District where they operate an existing library. The properties are surrounded by the Old Town Residential District and residential housing. The use of the property has been a library for over 20 years. While a library is allowed in the Old Town Residential District the use is more compatible with under Public/Semi-Public zoning. Approval by the City Council is required for all rezone applications. If the request is granted, the City's Future Land Use Map and the City's Official Zoning Map would need to be amended.
