Amy,

I own the property at 6124 SR 530, Arlington, WA 98223

It was my understanding that the 211th St would be connected from the roundabout behind my shop building, dividing the commercial and residential. Not a street next to 530. A Street next to 530 would cause me to lose access to 530. I do not want to have the expense of building 211th in front of my house. I object to having to build 211th St in front of my house. They will need to hook up to the sewer on my property, so I think they should be required to build the entire street of 211th in the back, and if not in the back at least at no expense to me all the way to the roundabout. I will be on the teams meeting tomorrow at 5 pm.

Regards,
Dave Nelson
