Subject: Community Response Re: Proposed Land Use: Arlington Garden Apartments
Date: Thursday, December 19, 2024 10:36:05 AM

This message is from an External Sender

This message came from outside the City of Arlington

To whom it may concern:

I am writing as part of a request for public comment regarding the application for proposed development of the Arlington Garden Apartments.

I am concerned with the potential impact on traffic, light pollution and the general disregard for the wetlands. This project would set new precedence in an otherwise rural area, and I am concerned with the lack of sufficient notice, signage, and timeline for the public comment on a project that would affect the entire community.
