Greetings, Ms. Rusko,

I am writing to add to public comment on the proposed development of the plot on Hwy 530 at 59th avenue NE. I do not feel that high density housing is fit in this area. The infrastructure cannot handle it, and it goes against the rural zoning that surrounds it.

In addition, the wilderness area nearby would be severely impacted by this development.

Lastly, the infrastructure of our roads is already overburdened. This proposed construction would only add to the heavy traffic and crowded daily commute.

Thank you,

Jennifer Taton
