Hello,

I just wanted to send my big hard no on the new construction being planned for hyway 530 by Beringer farms. Life long resident rural and just can not stand how this beautiful small country town is being expanded out. You in government are ruining it allowing developers to come in and put up countless ugly apartments. We need to stay rural, we are losing way too much farm land. I am so disgusted I can't even think straight. Another small town being ruined.
