Amy,

I heard there is a new project.

New 216 unit development is being planned for Arlington at the corner of HWY 530 and 59th Ave NE (by the roundabout across from Biringer farms)

The roundabout there are not enough infrastructure improvements to help with the amount of added traffic to HWY 530. There needs to be more lanes all the way to I-5. What about the other road Kraetx road and 211th PL NE. They will be impacted as well what improvements will be made for those roads? Please force more infrastructure before the building begins.

Rob Wagy
