To whom it may concern,

When will all this building stop? Enough already!  
Our infrastructure can't handle more traffic. Our little town is getting ruined by all these apartments and traffic jams. All farmland is just getting eaten up by big developments. Greed has ruined our small community. So sick of it. Why does anyone even open it up for comments. No one listens and are only following the money. Another apartment complex is the last thing we need!! No no no no no no. Our roads already can't handle the current traffic. Then you exasperate the issue by putting in a round about that does nothing but back up traffic. How about a new grocery store or clothing stores or decent restaurants. Your cramming in more and more people with no place to go and nothing to do. I have to take back streets to get in and out of town now. A five minute drive to SmokeyPoint is now 20 minutes. What is wrong with the people doing this? They obviously don't care about anyone but themselves. The quality of life around here is suffering already because of crowding the homeless, drug addicts and traffic is terrible. I have lived here 30 years and now need to find a new place to live before my neighborhood turns into a ghetto. Please make it stop
