Amy Rusko,

I'm not sure how much my email is going to help... But I'd like weigh in and say that I'm tired of seeing the increase in high density housing being built, coupled with a lack of infrastructure improvements in the North Marysville & Arlington areas. These are ruining the area! And to do it across from a beloved pumpkin patch farm as well as the other family farms down that HWY in general is saddening! Please reconsider this plan.

Thank you,
