This message came from outside the City of Arlington

I live in this hill. And have had countless conversations on how this land is protected wild life land and cannot be used. There are wild rare migratory birds that live here, beavers and many other animals.

I've been told I cannot remove DANGEROUS TREES THAT ARE A THREAT TO MY FAMILY WELLBEING AND MY PROPERTY because it is protected land.

How dare the city of Arlington put such a disgusting land use here. How dare you.

I will be emailing multiple agencies to boycott this.

You are wrong, the city is wrong and the greedy ass holes to fund this are wrong.
