Dear Amy:

I want to voice my disapproval of the apartment complex proposed for the corner of Hwy 530 and 59th without serious traffic mitigation BEFORE any development occurs. The traffic at that intersection is already very problematic and adding hundreds of vehicles to it, daily, is very unfair to the residents of Arlington. If that roundabout was mitigated to two lanes of turning, in both directions, etc, it might be workable. But to leave it as and add that development is very unfair and short-sighted on the part of the city.

Sincerely,

Fr. David Hovik
