Hi Janice,

I hope you had a fantastic vacation. I don't know exactly how much time will be needed. I would only need 5-10 minutes to talk about the project, however the time spent usually is the question and answer period after the presentation. I'm unfortunately out of town on May 17<sup>th</sup> for the next meeting, but can make myself available for June 21<sup>st</sup>. Let me know what you can do.

Thanks for the help,

Scott Wammack

Hi Scott, I apologize for the late response, I was out of the office on vacation last week.

The Gleneagle Board is meeting on April 19. If you have something to forward please do. I know we already have a very busy agenda for next week, I will ask the board if we can accommodate your presentation at this meeting or if it will need to be planned – do you have an idea of how much time you are thinking of?

Hi Janice,

My name is Scott Wammack with Grandview and I own the property at: 18625 67<sup>th</sup> Ave. NE, Arlington (Property fronting Woodlands Way on the north). Amy Rusko with the City of Arlington

gave me your name as someone who could help me get on the docket for the next available Gleneagle association meeting. I would like to present my proposed project to the Association and get input. Could you help me get on the docket or put me in contact with the appropriate person if you are not it? I would also need to know if there is a deadline to submit any material for review by the Board?

Thanks for the help and have a great day,

Scott Wammack
