WILL SERVE LETTER**

**MARYSVILLE**  
PUBLIC WORKS

Dear Glenna,

In response to your recent request, I offer this letter as confirmation that the City of Marysville intends to make public water and sewer service available to the proposed car wash, located at 17110 43<sup>rd</sup> Ave NE, Arlington, WA 98223, following the issuance of all required permits and payment of applicable fees.

There may be source control requirements associated with the proposed use. As you move through the permitting process please reach out to the City for additional information regarding these potential requirements.

***Water***

There is currently an 8-inch ductile iron water main on the subject property. It also appears there's an existing double check valve on the property.

## Sewer

There is currently an 8-inch PVC gravity sewer main extending onto the subject property. It also appears there's an existing sewer cleanout (S-CO-1398) on the property.

If at any time you have questions, please contact me at (360) 363-8283.

Sincerely,

A handwritten signature in blue ink that reads "Adam Benton".
