**Title of Document Being Adopted:** Mitigated Determination of Non Significance (MDNS)  
**Adopted Document is Available At:** <https://arlingtonwa.gov/310/Public-Notices-Hearings>  
**Date Adopted Document Was Prepared:** August 16, 2022

**Description of Document Being Adopted:** Mitigated Determination of Non Significance issued by the City of Arlington on January 4, 2023 for the Zahradnik Binding Site Plan (PLN#941). This MDNS included all impacts and mitigation for the residential and mixed-use areas of the binding site plan. There was no appeal on the Mitigated Determination of Non Significance.

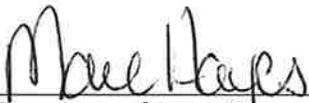

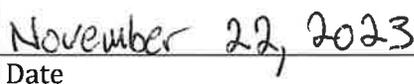

We have identified and adopted this document as being appropriate for this proposal after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision makers.

The City of Arlington has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This determination is based on the following findings and conclusions:

1. The original permit decision and amended Zahradnik Binding Site Plan have not been changed for this permit. The amended Zahradnik Binding Site Plan is recorded under AFN202303025002.
2. The conditions of the Mitigated Determination of Non Significance and the Zahradnik Binding Site Plan decision apply to this project and have addressed all environmental elements of the site including: soils (cut and fill onsite), air, surface water wetlands, wetland buffer, establishment of the native growth protection area, conceptual mitigation plan, ground water, stormwater, spill prevention, Department of Ecology stormwater management requirements, noise, removal of significant trees, planting of trees and landscaping, aesthetics, light and glare, airport aviation easement, open space, onsite recreation and trail system, ground disturbance notification requirements, unanticipated discovery plan, transportation public road and intersection improvements, private roadway system, right of way dedication, transportation impact fees, community park impact fees, school impact fees, water and sewer extension, public utility improvements, and underground public and private utilities.
3. The review of the environmental impacts and mitigation have been reviewed by all affected agencies. Comments received were incorporated into the MDNS or Binding Site Plan decisions.

This DNS is issued under WAC 197-11-340(2) and the comment period will end on December 12, 2023 at 5:00 PM.
